According to our *"School Legend Experts,"* when the banana tree in the science building blooms, good things are in store for Gadsden High School. Obviously our experts were right because the blooming banana tree brought good fortune to Gadsden High during the 1985-86 school year. To date, our football, basketball, and volleyball teams have won area titles. And the outlook is good for our spring sports! Our cheerleaders recently made an outstanding showing at the ICF International Open Cheerleading Competition in Nashville, Tennessee. In the academic department, new advanced placement courses in American History and English joined existing A.P. courses in Calculus and Spanish. Nineteen eighty-six also brought about the organization of **S**tudents **A**gainst **D**riving **D**runk Chapter here at G.H.S. Heading all of these positive events is our new principal, Mr. Bob Russell.

All of the changes and new beginnings are most successful this year. And for this reason we adopted the theme, ***"This Is Our Year."*** Though the *Crucible Staff* did not originate the theme, we did adapt it to our purpose, to provide a foundation of excitement and accomplishment on which to capture the 1985-86 school year in yearbook history! The true theme source . . . well, we borrowed it from the cheerleaders' optimistic theme for the athletic program. During the fall, the cheerleaders sold Cherry Coke T-Shirts with the "THIS IS OUR YEAR" slogan on them. The attitude of a bright outlook for G.H.S. spread from this and soon everyone began to believe that this, in fact, would be "Our Year."

Here's hoping that you will enjoy this, the 60th edition of the Gadsden High School Crucible. May 1986 always be remembered as **OUR YEAR** — *the Year of the Tigers!*

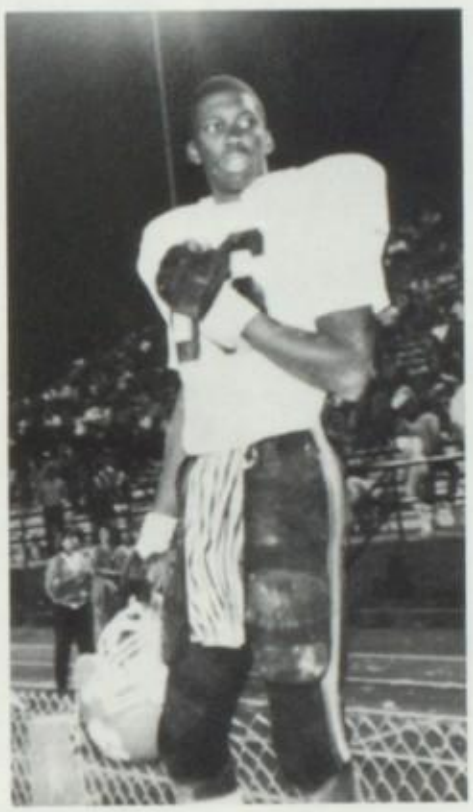
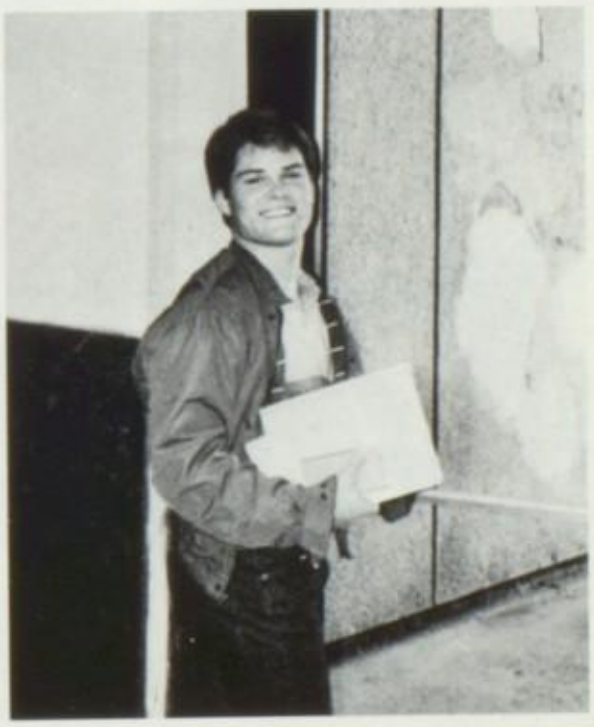
Even from the beginning we knew this would be our year.

We made it our year because of our individuality.

There were many times we got discouraged or disappointed . . .

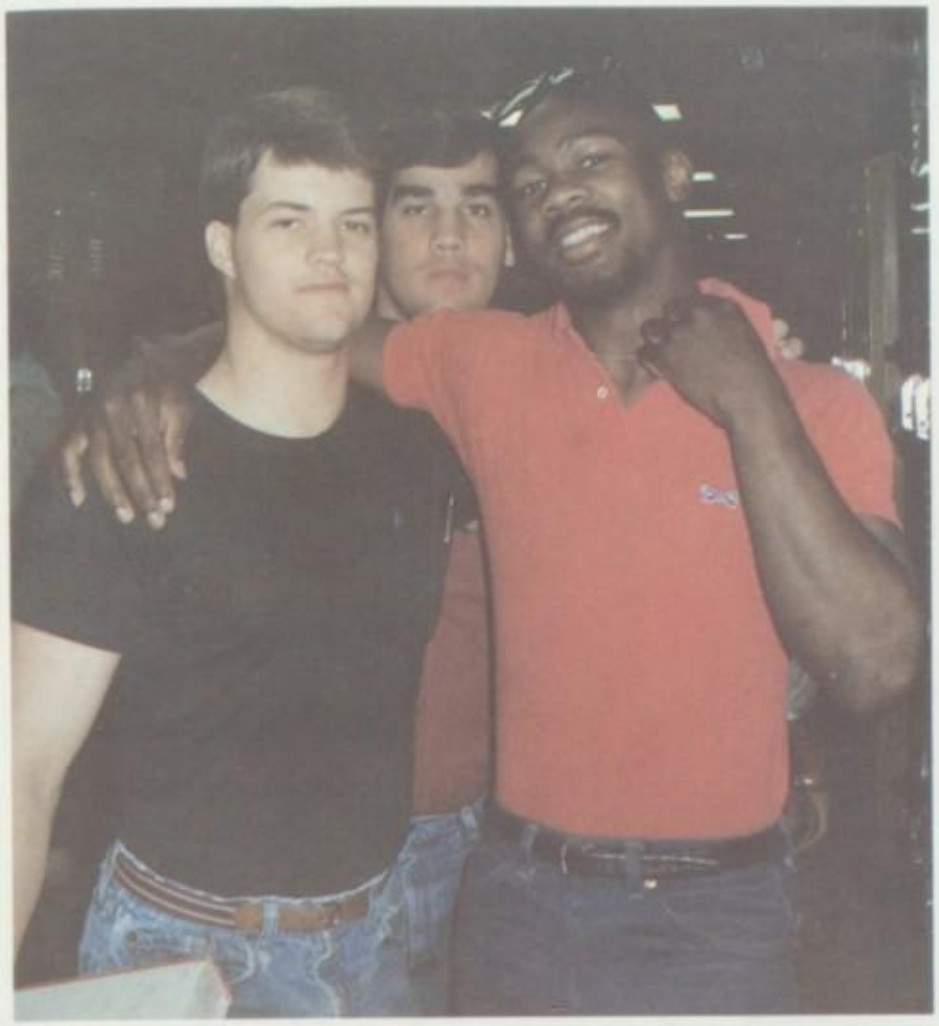
. . . But we never quit striving for our goals.





Our friends were always there to help us through the failures and to be with us to enjoy the happy times.

The special friends we have made and the unforgettable times we have had will always remain with us . . .



. . . Because the memories of our year will last forever.

SENIORITIS

Only in Matt Thomas' Jeep can these students find a way to relax after a hard day of class. The warm spring sunshine made seniors start counting the days until graduation

That Senior Spirit is shown by Jana Higgins and Kelli Davis as they get the football team fired up for the Gadsden/Sansom game.

Senior Class President Alicia Sisk seems to be up to mischief as she takes advantage of an afternoon free from classes (above left).

Dreaming of sandy beaches and palm trees is exactly what Michele Dressman seems to be doing during one of those days when it seems that class will never end (above middle).

Angela McPeters leaves school to get to her job on time. Many Seniors took advantage of the D.E./D.O. programs and got jobs to save money for college (above right).

Senior closeness is exhibited by Gayle Dumas, Sara Carlisle, and Crystal Silvey. Once Seniors realized that their high school days were numbered, the necessity of staying together was an all-important objective.

"I can dress this way, I'm a Senior!" John Garner realizes that an advantage of being a senior is always having an alibi. Hawaiian shirts were popular in the Spring of '86, but John seems to have found a new way of wearing them.

"A Note of Explanation"
The annual magazine sale is a senior sponsored activity aimed at helping finance the school's yearbook. As a sales incentive this year, the *Crucible Staff* offered the "Senior Color Portrait Reward." The senior portraits appearing in color on pages 16 through 16C are of those individuals selling six or more magazine subscriptions. We appreciate their special efforts!

We hope this first time appearance of Senior Portraits in color will become a tradition, begun by **the Class of '86.** And that each year Tiger Pride will grow along with the number qualifying for this color portrait section.

Best of luck to each and every senior.

Senior Highlights

A New Face in the Crowd . . .

Have you ever wondered what it was like to go to a foreign country and go to school there for a year? Peter Fagerberg from Sweden took that chance. He came to Gadsden, Alabama, and became a member of the Class of '86 at Gadsden High School!

Peter decided to come to America through the Foreign Exchange Program after he traveled to the United States a few times. (His sister spent some time here three years ago.) Peter wanted to come to learn to speak English better and to meet people.

Peters says that Swedish schools are much more different from American schools. There are eleven different classes, but students go to only eight per day. They have two hours of history and 6 hours of math per week. Classes are 40 minutes long. In Sweden there are no school sports teams. Some students play soccer and basketball during P.E., but if one wants to play on a team, he must join an after school league.

Peter would actually be in his first year of college if he was still in Sweden. High school lasts only three years there.

Peter enjoys all his classes here at GHS. He takes physics, typing, trigonometry, government, tennis, and English. His most difficult class is government. He says it is hard to understand American government because Sweden has a socialistic government instead of a democratic government.

Teenagers in Sweden do not spend all of their time in school. They go to movies, amusement parks, and discos on the weekends. They are not allowed to drive until they are eighteen, so they meet their dates at the discos.

Peter says he loves America. "It's so neat!" he exclaims.

Our Senior Year In Review

The Class of '86 began their Senior Year on **September 3, 1985.** We looked forward to this year of decision-making, partying, studying, and making friendships to last a lifetime.

After our **senior portraits** were made in **August,** the first order of business was to elect **class officers.** We chose **Alicia Sisk** as our president, **Amy Owen** as vice-president, **Kelly Johnson** as secretary, and **Angie Roden** as treasurer.

September brought an early **Homecoming Week** to GHS. As we worked to build our float entitled "Tigers Draw First Blood," (a take-off of the popular "Rambo" movie starring Sylvester Stallone), we felt a little nostalgic knowing this would be our last Homecoming. Tracy Bright was chosen as queen and our senior maids were Debby Cusimano, Kelle Keeling, Thomasa Posey, and Shoney Marshall.

After a thrilling **football season,** in which we beat our arch-rival Emma Sansom 17-0, we settled down to study until December. In November, we ordered **graduation supplies,** a reminder that our high school days were numbered.

Christmas 1985 was a great one. We went to the **Christmas Dance** on December 6 and we got out for the holidays on December 20. After a fun New Year's Eve, in which we ushered in **our year — 1986,** we cheered on the Tigers in a successful basketball season.

On **March 1,** the Key Club sponsored a dance with **Mark and Brian** from **I-95.** It was a dance that many seniors won't soon forget. March also brought Spring Break. We all spent it in many different ways.

April 4th brought the event of the year — **our senior prom.** We were thrilled that our class was represented by prom queen Michele Dressman and king Jeff Heiberger.

As our year began to wind down, we paused to reflect on our past four years at GHS. **Graduation** on **June 6th** at Convention Hall brought a close to a chapter of our lives — and to **"our year."**

Sometimes we found our lockers filled with interesting things! *Picture 3* — Dress-up days were always fun! Here, Gena Wills participates in "Nerd Day." *Picture 4* — Lunch-time was always used as a time to relax during the day. Kelle Keeling seems to enjoy her popsicle. *Picture 5* — David Reavis, Randy Temple, Robin Pruitt, and Brian Morgan dress not only themselves up, but also the ROTC mannequins for "senior portraits." *Picture 6* — New-comer to the Class of '86, Todd Garrett, (from Virginia), hurries home from school in his 200-SX. *Picture 7* — Who could forget all those rousing pep rallies.?

Putting it Together: Building our Senior Float

The building of Homecoming floats is one of the highlights of any school year. For Seniors, work began on our last float on Monday, September 23, 1985. We reported to the Hill Avenue Fire Station, our float headquarters, immediately after school. We first had to round up all of our materials used in previous years' floats such as tiger heads, float sides, etc. After all of that was assembled, work began in earnest.

For the most part, work on our float proceeded smoothly. As our theme, we chose *"Tigers Draw First Blood."* A tank with a "Rambo Tiger" in it was shooting down a scrawny panther. For special effects, a fire extinguisher provided "smoke" for the cannon.

Most seniors came to float-building after 6:00 pm everyday. We had plenty of help and some of the seniors really got involved as a team.

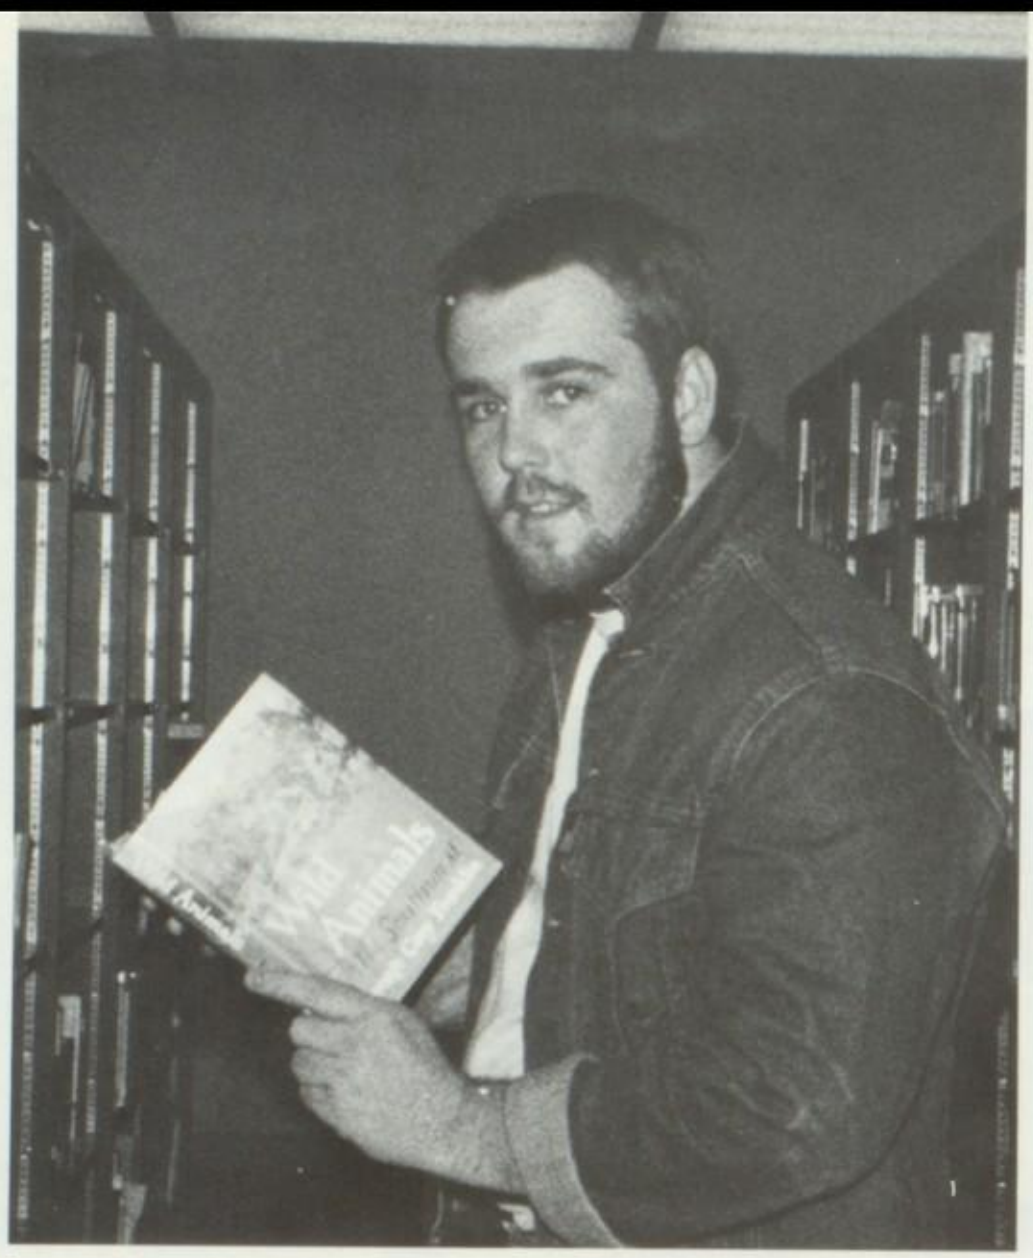
Thursday night was the most hectic of all. People were rushing around everywhere trying to finish up the float and get the fire station back in order. Late that night, we all quit and went home to catch a "few hours" sleep before morning.

On Friday, we paused an hour to attend the Homecoming pep rally. After we got all fired up for our **last Homecoming game,** about 15 seniors went to finish last-minute details on the float before the parade.

After our float was hitched to Matt Thomas' Jeep, we could all sit back and relax as the Homecoming Parade proceeded down Broad Street.

Picture 1 — Randy Temple works hard to get the senior float finished on time. *Picture 2* — Paige Thomas and Beth Godfree stuff float sides. *Picture 3* — April West, Beth Lindy, and Myra Devine smile despite the late hours of float building. *Picture 4* — John Beaube, Matt Thomas, and Todd Garrett rig-up a smoke system for the float.

Picture 1 — After a week of hard work, the **senior** float is finally finished! *Picture 2* — **Vicky Box** listens to helpful hints concerning the float. *Picture 3* — **Gena Wills** takes a dinner break. *Picture 4* — **Deidra** Snow seems to need a long breather! *Picture 5* — Angie Roden builds a tiger. *Picture 6* — **Gene** Heaton discovers that building a float is hard work. *Picture 7* — Class president **Alicia Sisk** lends a hand.



Picture 1 — **"Caveman" Jones** reads up on his ancestors. *Picture 2* — **Brian Morgan** and **Scott Carden** share a joke. *Picture 3* — With the onset of second semester, **Crystal Silvey, Sara Carlisle** and **Lynne Schoenl** realize that their high school days are numbered. *Picture 4* — **Paige Hudgins** and **Leslie Hutchinson,** thinking of Senior Florida trips. *Picture 5* — Gena Wills, Reggie Adams, Gina Womack, Kelle Keeling, Angie Roden, Kelly Johnson, and Victor Davis believe in Senior unity.

Picture #1 — **John Garner, Nick Black,** and **Jeff Jones** clown around, as usual! *Picture #2* — Craig Means, Zac Thornton and Angie Roden pause during a break between classes. *Picture 3* — After discovering what was on the cafeteria's menu, **Tom Hudson** decides Gena may taste better. *Picture #4* **Gina Womack** and **Gene Heaton** find a skeleton in the closet. *Picture #5* — Ross Moses, Kristen Babros, and Russell Tyler seem to be **into mischief!** *Picture #6* — Trenia Williamson and Deidra Snow show their **Tiger Spirit!** *Picture #7* — Brian Morgan, Tracy Bright, Scott Carden, Jeff Heiberger, and Debby Cusimano celebrate finishing the float.

JUNIORS

Being a Junior has been a blast,
But these last two years have passed by fast.
The class of '87 is number 1!
Because when all was said and done,
Our floats were the best for all to see.
This was proven with astounding victories.
We're really together, you know that's true,
And when we're gone, you'll miss us, too.
Some will laugh, some will cry —
But we've been the best for Gadsden High.
— Bubba Barnes

"Being a Junior has been?"
Alex Freeman — A GOOD TIME!
Debra Rary — Exuberant!
David Owen — Not much of nothing!
Philip Nolen — A panic about grade average, and the rest of my life!
Laure Butler — Having a great time, and knowing being a senior is just around the corner!

"Being Junior Class President has been a blast!"

— BUBBA BARNES

SOPHOMORES

The class of 1988 presently has 248 members, making it the largest class at Gadsden High. Being a sophomore can be a very exciting time, but also a very difficult one. It is a relief not to be labeled as a "baby tiger," but most 10th graders are awaiting the Golden Age of 16 and until then, feel like they are between being baby tigers (9th graders) and upperclassmen. Nevertheless, the sophomores started the year with a positive attitude. The theme for this year's float competition was "Sink the Panthers," in which they finished 3rd.

The sophomores proceeded throughout the year taking part in school activities. First were the homecoming activities and football games in the fall; then basketball season rolled around, followed by baseball season. These are just a few of the activities that sophomores participated in, either as fans, cheerleaders, or players. Then it was time to order class rings. Each school year the sophomore class is presented with the privilege of purchasing one's own personalized ring in memory of their years in high school. A break from tradition came this year . . . The class of 1988 is the charter class for the New Advanced Diploma and therefore will have to live up to higher standards if they want this honor.

"A sophomore is," . . . someone in the tenth grade!"

ANDREW LOVEMAN
President

"A sophomore is . . . happy because they only have two years left in high school."

TISA MOORE

FRESHMEN

The graduating class of 1989 began its high school career at Gadsden High with 250 members. Although adjusting to the secondary level of education is an enormous job within itself, the "Baby Tigers" soon joined in the other activities. Such as lining up in the office for late passes, food fights in the lunchroom and the all important pep rallies followed by the football games of the fall, the basketball games of the winter and baseball games of the spring.

The one detailed project that our new Baby Tiger cubs pounced on and devoured successfully was that of building a float for our Homecoming parade.

After much debate and discussion, it was decided that their float theme should be *Punish The Pirates*. Upon completion of the float the Freshman class recounted the two or three times they were forced to change locations and the number of mistakes and miscalculations that resulted. However all was taken in a laughing spirit and chucked up to experience for the following years.

"I discovered I was a 'Baby Tiger' when I became a varsity football member."

PRINCIPAL

This is our year of a new principalship! Fall 1985 brought the return of students and faculty to Gadsden High School to begin studies *and to welcome a new principal, Mr. Bob Russell. While this is Mr. Russell's first year at G.H.S., it is not his first year as a principal. Before coming to Gadsden, Mr. Russell served five other Alabama schools as principal. He has made this year a time of change and advancement for our school. Reflecting his pursuit of a better Gadsden High, Mr. Russell stated, "Gadsden High is not as good* **as it could be.** We need a push from students and activities. With this, and to continue what we are doing now, we will reach our goal."

Our entire school family believes in this pursuit to improve our school life, and to make this, **"OUR YEAR OF FULFILLING OUR POTENTIAL."**

The Key Club Dance was great this year! Mark and Brian from I-95 were the life of the dance. Michele Dressman was honored as Gadsden High's Key Club Sweetheart. The event was delayed this year from February to March but a good change came from the delay. The dance was held at the Gadsden Country Club with the "Dynamic Duo DJ's" hosting, acting as Masters of Ceremony, and joking their way through the night. It was an exciting change from the Key Club's traditional Valentine's Dance. A "March Dance" enjoyed by all!

Crucible Krewes

A Night of Special Recognitions

You begin by saying, "Yes, I'll do the yearbook"
knowing that next year surely somebody else
will take over.
You can do anything for one year . . .
You start with magazine sales
and you stay after school
to find the $3.75 somebody was short . . .
You worry with renewals and complaints
from dissatisfied customers
You gripe because the people who
sold the magazines
didn't fill out the
slips correctly.
But when it's all over and the seniors
reach and go over their goal
You're proud to be a part of it all.
You play all fall and winter
because "We've got plenty of time."
Then, it's two days to deadline
and you've got 35 pages to finish
and a big date that night
So you come to school on Saturdays and
holidays.
But when the pages are in
and you're finished
and a little part
of you is going to live forever
in somebody's yearbook —
You're proud to be a part of it all.
The "learning experiences" like "duty" and
"responsibility"
are disguised as beauty contests,
Coronation Balls,
taking up money for everything
from last year's leftover pictures to
next year's CRUCIBLE subscriptions —
And, when it's all over and you're sitting here
reading the last pages of the first thing
that ever really belonged to you . . .

You're proud you were a part of it all.
And now, it's been 12 years,
And only last year or the year before did
Mrs. Day "take over" for you
Mrs. Doris Smith, it is with all our love tonight,
that we honor you
We're so glad that you were a part of it all.
— Glenda Byars

Michelle and Jeff are crowned Senior King and Queen.
Surprised and in tears, Mrs. Smith addresses the dance crowd.

Retiring in June, Mrs. Smith attends her last "official" Coronation Ball.
Queen Michele Dressman with Beauties Rosie Cook, Tonya Fleming, and Amy Owen.
King Jeff Heiberger with Head Kingsmen Ray Bullock, Cooper Lindsey, and Reggie Adams.

The 1985 Tiger football season was one of the most exciting ever! We knew from the beginning of spring training that this was going to be ***"our year."***

We began by beating Litchfield in the season 17-6. The second game, however, was a heartbreaker. The Tigers held out and played tough, but the Jess-Lanier Tigers ended up winning by three points, 7-10. The only other loss in the regular season was the Homecoming game against Walter Welborn, 33-42. The Homecoming spirit was strong, but the panthers of Welborn were seeking revenge for the Tigers upsetting their Homecoming last year. The rest of the football schedule was tackled by the Tigers with ease, including perhaps one of the most thrilling games in Tiger history — "The Sansom Game." The Tigers came off of a 10 year losing streak to defeat the Rebels, 17-0.

Then came State Play-offs!!! The tigers won easily against Scottsboro 35-6, and Fort Payne, 27-0. Next would be Colbert County, a super hard team to defeat. Our tigers fought until the end with all their might. G.H.S. held the lead for the better part of the game, but the Colbert Co. Indians upset the tigers, 13-21, in what was considered by many as the most controversial plays seen this season.

Although our championship dreams were ended that night, the tigers and their fans held fast to their ***TIGER PRIDE.*** Everyone still knew, *"It's great to be a Gadsden Tiger!"*

— Laure Butler

5 — **SIDELINE ACTION"** *6* — *7* — Defense holding the line against Welborn. *8* — Dodging a Saks Wildcat is tricky business for Wayne Knight.

Even though Gadsden High's mascot *is the tiger*, this year our football team has a pet dog — "a junkyard dog." Victor Davis, a senior football player, wore a dog collar one night as a joke and thus came the season tradition. He, periodicically, was led around on a leash by his teammates during the entire season. He even barked at the crowd to get them fired up! "It seems to get the crowd excited," he said. "When I start barking, the crowd usually starts yelling." In the picture at the left, David Partridge leads Victor onto the field.

Is this our year for a new mascot???

A MAJOR CELEBRATION AT GADSDEN HIGH AS

Tigers Send Rebels Back to Black Creek!

For the first time in ten years the G.H.S. football team accomplished a great feat — beating the arch-rival *from across the creek*, **Emma Sansom High School.**

The Gadsden-Sansom game has always been "*the game*" looked forward to by students and alumni alike. An entire week is devoted to building Tiger Spirit and preparing for this particular game. This year, after a week of zaney dress-up days, students filed into the fieldhouse for a rousing pep rally on Thursday morning. Some students, like Matt Thomas, John Garner, Bubba Barnes, John Henslee, and many others dressed for the occasion by painting their entire faces orange and black.

The gym was a madhouse! The band played "*Tiger Rag*" and many other songs to get everyone fired up. Some students made up "rap" songs about the Gadsden-Sansom game which had everyone laughing. This pep rally had *everyone* cheering for a Tiger Victory. Emotions were running high as this game win was not only to break our losing streak to Sansom but would also determine our State ranking and playoff possibilities.

After the pep rally was over, the rest of the school day had a festive air. All were confident.

People began to arrive at Murphree Stadium over an hour before the game was set to start. The Tiger student fans sat together in a huge group; all armed with confetti, megaphones, streamers, and noise-makers.

The game was great! The Tiger defense held the Rebels to give us not only bragging rights for a year, but also the 5A-Area 13 Championship.

The moment the game was over, GHS students tried to leap onto the field to congratulate the team, but were restrained by the Gadsden Police. Some succeeded, however, and joined the team in a victory lap around the field.

The celebrating in the stadium continued long after the game was over. When the lights were finally turned off, many students converged on Pizza Hut for a nightcap. Some brave souls even went to the Emma Sansom monument to perform the annual ritual of dressing up the statue in orange and black.

All in all, the 1985 GHS/EHS game will be one well remembered. **17-0.**

Varsity Basketball

A SEASON OF BOUNCING BACK

The 1985-86 Tiger varsity basketball season was a successful one. They finished with an 18-7 record. The Tigers had a great tournament, playing tough opponents. Their long hours of practice and endurance paid off as they won game after game. Athens was the only tournament team finally defeating the Tigers but not before they captured the 5A, Area 13 Basketball Championship!

The Tigers expect to hold strong as they are only losing two seniors this year: Reggie Adams and Eric Hammock.

"Stroking" for an Area Championship

BASEBALL

The Gadsden High School baseball team finished the season with a 14-17 record. They got out on a slow start but finished by winning the area title, and going on to the third round of the state playoffs. The baseball team was led this year by Coach Rick Arthur and three outstanding seniors. We are all very proud of our team. Among some of the season's highlights were our rallies to victory at the ends of games, and our five straight victories to take the area title. CONGRATULATIONS!!!

First Year for Softball Proves Successful

For the first year, a softball team was organized at Gadsden High, and for a first-year team, it was very successful. The team finished with an 18-10 overall record, was second in the High School Invitational Tournament, and was fourth in the Sectional Tournament. Dana Washburn and Tammy Robertson were named to the All-sectional team.

Davis Qualifies For All-State

The 1986 Cross-Country Team ran into some trouble because they did not have enough participants to make up a team at meets. Therefore, the competitors on the Gadsden High team were running for personal goals. Lorrie Davis, a freshman, qualified for the All-State Cross-Country team. The Cross Country Team was coached by James Hall and the team captain was Rosemary Beall.

THIS IS OUR YEAR

Our yearbook theme certainly lived up to its name because the 1985-86 athletic season was our year! For the first time in many years, we won area titles in nearly every sport.

It started with football season. We won the 5A — Area 13 title and went to state playoffs. In the playoffs, the Tigers defeated Scottsboro, Fort Payne, and ended the season with a loss to Colbert County in the quarterfinals. **Gerry Benson** received All-State honors in place kicking and **Coach Vince Dilorenzo** received the Etowah County Coach of the Year award for the second straight season. The Tigers finished 10-3 overall, 2-1 in the state playoffs, and 8-2 in the regular season.

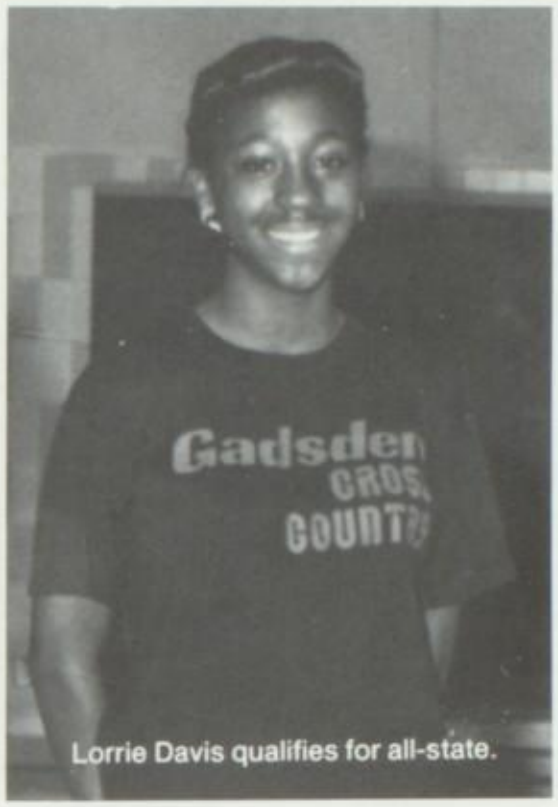
Our basketball teams were great. The Varsity team won the 5-A, Area 13 title by defeating Southside and Etowah in the finals of the area tournament. We defeated Arab and we were defeated by Athens in the second-round of the sub-state tournament.

The Girl's Basketball team was the runner-up in the area tournament, but lost in the first round of sub-state.

As spring rolled around, it found the baseball team involved in the State playoffs. The Tigers won the 5A — Area 13 title by defeating Etowah, Southside, and Sansom in the tournament. They advanced to the State tournament where they defeated Athens and Hartsell in the first two rounds and lost the best two out of three to Saks in the semifinals. **Dan Williams, Ray Bullock,** and **Roger Sandlin** were the All-Area players from the team. The baseball team ended the season with a 14-17 record. (continued on next page)

Our Year

Tigers score another touchdown.



Lorrie Davis qualifies for all-state.

Tennis team celebrates after state tournament.

John Beaube has a champion form.

Tigers win WGAD Team of the Week Award.

The boy's Tennis team won the section title with a 10-0 regular season record. They were fifth overall in the state tournament and second in public schools. Players seeded were **Fred Sington** number one singles seed for number six singles and **John Hatfield,** seeded number three at number five singles. **Hatfield and Matt Thomas** were seeded number three in number three doubles.

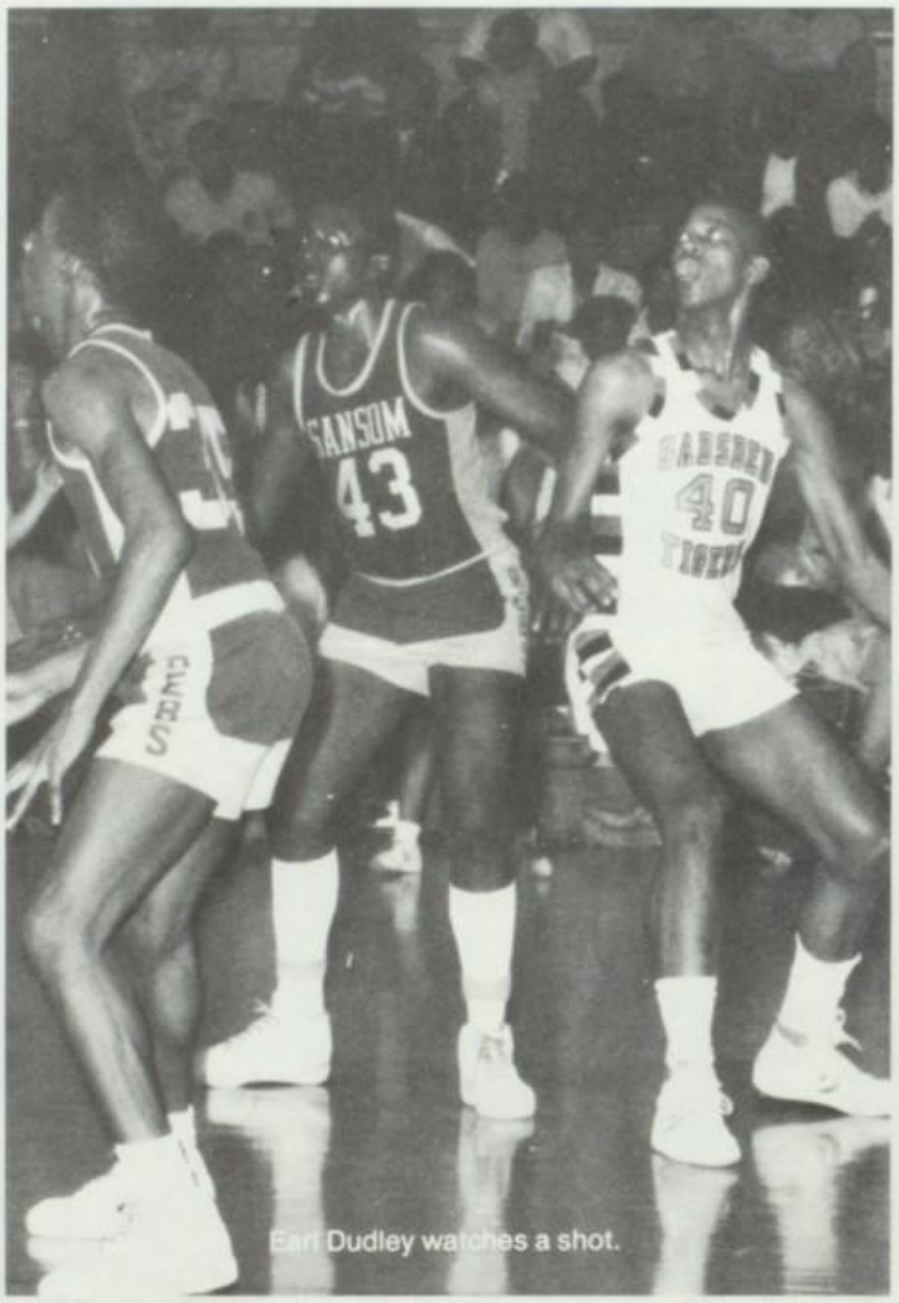
Cheerleaders perform routine for Nationals.



Earl Dudley watches a shot.

. . . "Our Year" (continued)

Our track team qualified eleven people for the state track and field meet. The girl's team finished with a 2-2 record, and **Latonya Taylor** won fourth place in the shot-put and discus competition at the state track meet. The boy's team finished with a 2-5 reocrd, but beat Litchfield for the first time in eight years. In Cross-country, **Lorrie Davis** qualified for all-state.

In the first year for softball, our girls team finished with an 18-10 overall record and were fourth in their section. **Dana Washburn** and **Tammy Robertson** were named to the all-section team.

The Cheerleaders placed in the top 3 in preliminaries at the National tournament. The Volleyball team went to the state tournament.

As everyone can see, Gadsden High has many reasons to say 1985-86 was ***OUR Year*** for athletics.

A.P. English

Advanced Placement English was begun at GHS with seven students enrolled. Mrs. Mary Rose Cowart assigned novels for her prospective students to read the summer prior to the beginning of the class. After spending countless hours reading *Crime and Punishment, Grapes of Wrath, War and Peace,* and *Wuthering Heights,* the seven students came to class in the fall prepared to work.

After a year of doing research, analyzing poetry, reading, and writing essays, it was time to take the AP English exam. The test consisted of multiple choice questions on a reading selection and three written essays on various subjects.

A.P. American History

The 1985-86 school year saw the charter of the very first advanced placement American History class. Mrs. Linda Ford boldly led a small group of brave student explorers across the varied frontiers of history the American way. The class is taught with regard to receiving college credit. The techniques and skills required by the students in the class are similar to those of a college class. If college credit for the course is desired, a student must earn a certain grade on a nationwide exam given at the end of the schoolyear. The exam consists of 100 multiple choice questions, a document based question, and a free response essay question. The time period for these questions ranges from colonial times to President Reagan's second term.

Students Against Driving Drunk Organized at GHS

In the 1985-1986 school year, a chapter of Students Against Driving Drunk (S.A.D.D.) was organized partly because of the death of our friend and classmate, Erik Lyles. S.A.D.D. wants to reduce the number of alcohol-related deaths to teenagers on America's highways. The club advises teenagers to sign a "contract of life" with their parents as a promise to call home if they are ever in a drinking and driving situation.

The club was very active in its first year. They sponsored drives to reduce drinking and driving, held programs on alcohol and drug abuse, and sponsored an all-male beauty pageant to raise money for the club.

Top Left — S.A.D.D. sponsored a program where inmates from the state prison came to speak to GHS students about the dangers of alcoholism and drug abuse. Here, Kevin meets with S.A.D.D. president Rosie Cook. *Top Right* — Rosie Cook addresses the student body against driving drunk.

Key Club — One of the Most Active Service Clubs at G.H.S.

The Gadsden High School Key Club has been for many years one of the most active service clubs at Gadsden High. Besides going to Key Club conventions, the club has helped plant roses on the median of Meighan Boulevard, collected candy bar wrappers for African Relief, and they helped with pancake day.

The highlight of Key Club's year was the Spring Dance at the Gadsden Country Club with I-95's Mark and Brian as the dee-jays.

Our Year For Academics at G.H.S.

1985-1986 saw not only our athletic teams excel, but our academic teams also made the other schools green with envy.

In addition to the brilliant showing that the Quiz Bowl made at their competitions, Gadsden High's Science Olympiad Team won First Place overall at the contest held at the University of Alabama on April 26, 1986. Nearly 25 other schools had also entered the competitions. This was the first Science Olympiad for the state of Alabama. However, similar events have been held at the University of North Alabama and Auburn University. GHS placed in the following events: first place — Qualitative Analysis: Kim Keeling and Gene Heaton; second place — Periodic Table: Jonathan Godbey and metric estimation: Joy Godbey; third place — science bowl: John Longshore, Philip Nolen, Matt Meloun, Gene Heaton; fourth place — orienteering: Blake Stringer; fifth place — Name that Organism: Jason Crowe; sixth place — paper airplace: Bill Sullivan; Fermi Questions: David Schoenl, Jonathan Godbey; Anatomy and physiology: David Owen, Yvonne Garrett; seventh place — computer programing: Joy Godbey, John Garner; titration: Gene Heaton and Kim Keeling; tenth place — pentathlon: David Owen and Bill Sullivan; Mark Brothers participated in the Egg Drop Contest.

Coaching the team were Carolyn Martin, Kay Wilder, and James Brown.

Gadsden High School won the 1986 city wide Mathematics Tournament. We have won this competition for the eight years that the tournament has been in existence. The Math Team also qualified for the second round of the Statewide Secretary School Mathematics Contest. The qualification was based on the team score on a written comprehensive test.

Our Advanced Placement Calculus classes have scored far above average on the Advanced Placement exams since May 1984. We have had three fives and the vast majority of our students made a three or above on the 1984 and 1985 exams. Without exception, these students report back that they are not having any problems with their freshman calculus courses in college. Many of them take the credit from their AP exam. Some have reported their college teachers want them to take six semesters hours credit based on their knowledge.

Events of Our Year 1985-1986

News Events '85-'86

Top National News Events:

— The explosion of the Space Shuttle Challenger that killed seven astronauts on January 28, 1986.

— Halley's Comet made its 75-year appearance in 1986.

— The situation between the United States and Lybia was always in the news.

Top Local News Events:

— The take-over of Republic Steel in Gadsden by the Brenlin Group.

— 1986 was an election year for the City of Gadsden.

The world of sports was a busy scene indeed during the school year 1985-1986. Pete Rose broke Ty Cobb's record of 4,191 hits. Alabama defeated Auburn with the help of kicker Van Tiffin. Dwight Gooden of the New York Mets was the hottest pitcher in baseball and won the Cy Young award. William "The Refrigerator" Perry helped the Chicago Bears beat the New England Patriots in the Super Bowl. The Atlanta Braves began the 1986 season with new manager, Chuck Tanner. On the basketball scene, Larry Bird won the MVP award. Bo Jackson won the Heisman Trophy award and will have to decide between baseball or football for his career. The World Series had a "Missouri Look" with both teams involved being from the state. Closer to home, Gadsden High School used defense to *"send the Rebels back to Black Creek."*

Top Movies — *Beverly Hills Cop* and *Back to the Future*

Top TV Shows — *The Cosby Show* and *Miami Vice.*

Top Album — *Born in the U.S.A.* — Bruce Springsteen

Top Singers — Madonna and Bruce Springsteen

Rising Stars — Molly Ringwald, Michael J. Fox, Whitney Houston

1986 was the year of a tragedy. Seven astronauts, including a school teacher, were killed when the Space Shuttle Challenger exploded ten miles above the Atlantic Ocean. The nation observed a week of mourning in memory of the seven heroes.

In April, Halley's Comet made its once-in-75 year's appearance. Many people the world over gathered to watch in awe as the comet passed the Earth.

The United States came close to war as the situation with Libya worsened. Times seemed turbulant. Terrorist attacks were all too frequent.

We watched, we worried, we philosophized, we were frightened — then grew angry. Now we must say, "What can I do?"

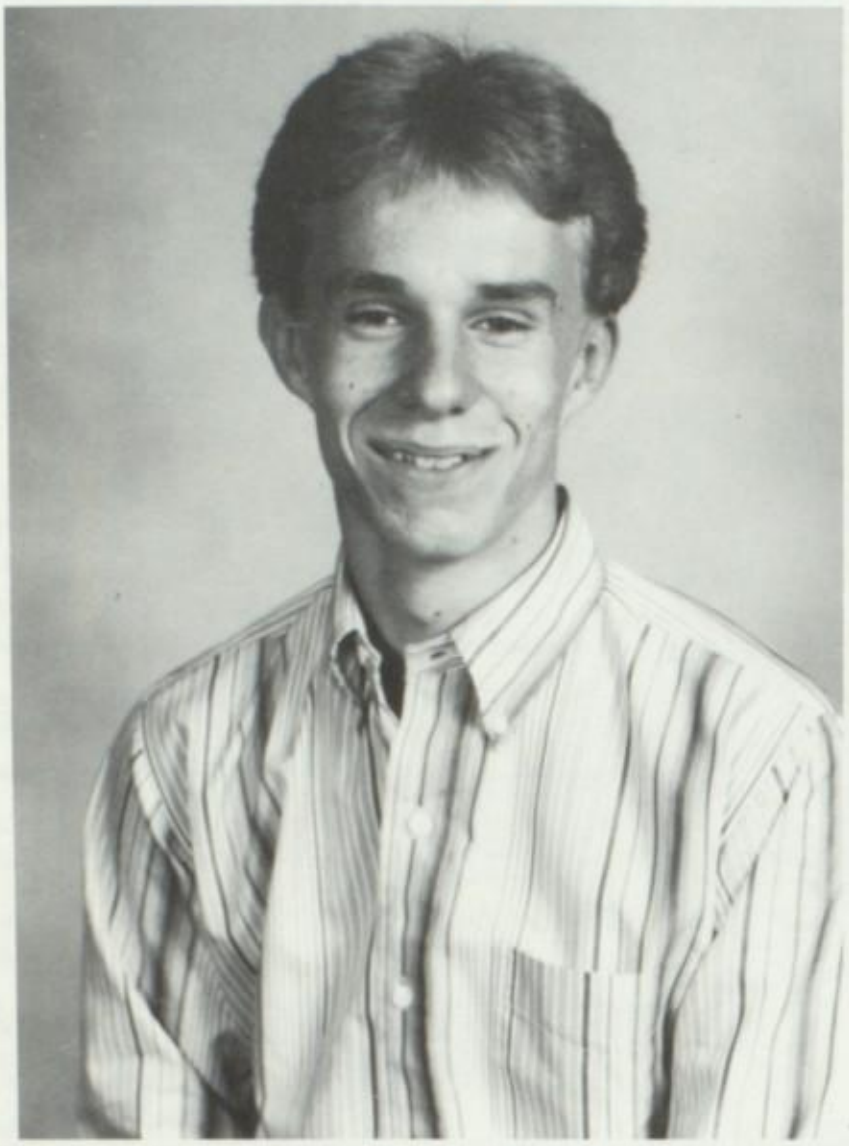
The world of entertainment was buzzing with the success of **The Cosby Show.** The sit-com, about family life in the '80's presented the ideal American family to the television audience. The show **Miami Vice** influenced everything from clothing styles to travel agancies.

Back to the Future, starring Michael J. Fox, and **Beverly Hills Cop,** starring Eddie Murphy, were the top-grossing films.

Madonna and Bruce Springsteen topped the music lists. Springsteen, with his successful album **Born in the U.S.A.,** was always a favorite to teenagers. Newcomer Whitney Houston promises to be a success in years to come.

Molly Ringwald, with her films **Sixteen Candles, The Breakfast Club,** and **Pretty in Pink,** was one of the top teenage actresses.

In Memory of
Erik Lyles



1969-1985

To my Student
and my Friend

He made a critical change in his schedule,
just to take a class with me . . .
he said that
and because I knew him,
I believe it was true . . .
He worked hard every day and did
his assignments.
and told jokes
and laughed when he wasn't
supposed to.
He noticed if you were "down in the dumps"
and cared if you looked tired;
he was a "good ol' boy"
with a twinkle in his eye
and mischief in his
heart
and we loved him.
Erik wasn't the class hero
or the school "jock"
or the "Romeo"
or the future Valedictorian.
He was an average guy, like 90% of everyone in this yearbook.
He was a son,
a brother,
a student,
a Tiger,
a friend.
A nice guy who just happened to finish first.
In loving memory,
Mrs. Byars

Gone

One day here,
the next day gone.
It brings so much pain,
to have you lost.
In that eternal world
of love and God.

I hope you're happy,
I guess you're better off.
Staying alive may only
have brought the worst.

Can you hear us crying?
Can you see our tears?
Are there really golden streets?
Is there really peace?

Does something this bad have to happen,
to make us see how much we love someone?
I wish it didn't,
but I know it's true.

I hope,
dear friend,
you know,
I still love you.

Challengers
JANUARY 28,1986 11:39.13 A.M.

Michael J. Smith, Francis R. Scobee and Ronald E. McNair

Our Nation Mourns the Loss of

THE CHALLENGER CREW

The "Remarkable Seven"
by Beth Graves Cumby

They went up, up to fulfill their dreams.
They were courageous 'til the end it seems.
To make a better life for all mankind,
They gave of their hearts, their souls, and their minds.

Francis (Dick) Scobee, the Captain of the crew,
His leadership ability can be matched by few.
Michael Smith, pilot of this spaceship,
Was, oh so excited about this trip.

Christa McAuliffe, the first teacher in space,
Her twinkling eyes would bring a smile to your face.
Ellison Onizuka, from Hawaii they say,
Will be missed by everyone in the U.S.A.
Ron McNair, science was his life;
His mind was as sharp as a knife.
Gregory Jarvis, he wanted to experiment,
So up in space, that's where he went.
Judith Resnick, the second lady to orbit the earth,
You could tell she was bright from the time of her birth.

We'll miss them all, now that they're gone,
But their hopes and dreams must go on.

"First Teacher in Space"

CHRISTA McAULIFFE, with family

The "Blast Off" of the Challenger
by Glenda Byars

It was the shuttle "Challenger"
preparing to blast off that day
And among the crew was a teacher
who dreamed to teach a new way.

Bright was her smile as the starry night,
Her eyes like the heaven's blue,
And her dream of a lesson from heaven
Was only moments from coming true.

The astronauts all were on "stand by,"
"There will be a short delay,"
Undaunted, they leaned back and took a breath
On the ground, I heard a little girl pray.

"Please, God, Don't let my Mommy,
Go up in the sky to stay,"
And the child snuggled against her kitten
"I don't want her to go today."

But "those-who-know-best" do not hear,
The prayer of a little girl
The clocks are counting down seconds
As anxiously awaits — the World.

A feeling of dread sweeps over the child,
The icy fear of death
But the cheering and laughter distract her,
She watches and holds her breath.

Closer and closer to the countdown, above
Her mother's thoughts stray
From the excitement of the lift-off adventure
And she sees her child at play.

Christa saw and remembered her family,
Her students and neighbors and friends
And she longed to see their faces
As the final countdown ends.

"Couldn't they put someone else in your place?"
The child's voice seemed as clear.
"What if ole SPACE just *got* you? Stay with me . . ."
If only Christa had heard the prayer!

Down came the count; the tension built.
The sky was blue without a cloud
And below Christa's ship and around the Cape
Awaits, the breathless, happy crowd.

The child below takes a breath, closes her eyes
And crosses her fingers tight.
"Don't worry 'bout Mother, dear, my ship is strong"
Christa had promised before the flight.

Graduation: What a bittersweet time! We have all worked hard to graduate, but now that the time has come, no matter the pride we have and the eagerness we have to enter the adult world, the step is not an easy one. Personally, I would like to thank my teachers for making Gadsden High such a special place in every way, and for their personal interest in each student. I praise God for the help he has given me in reaching my goals and for my parents who have always supported me.

The future looms before us now. We may try to hide and deny its presence or strike forward to reach new heights. But before we go I have one last good-bye for the Class of 1986. It comes from ***Philippians*** 1:3-10

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership . . . from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion . . . It is right for me to feel this way about all of you, since I have you in my heart . . . And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless . . ."

— Joy Godby
Valedictorian

Joy is the daughter of Mr. and Mrs. James M. Godbey. She was chosen Valedictorian with an overall average of 98.71. Joy has received a Bicentennial Scholarship and an Honors Scholarship to Birmingham Southern. She will attend Birmingham Southern and major in mathematics.

Salutatorian Michele Dressman

While I have attended Gadsden High School, I have had the best times of my life. There is no way I would trade my high school days for anything. Definitely my senior year was the ultimate greatest! I have grown so much here and have made so many terrific friends. The teachers and the students are the best. Now I must move on to bigger and greater challenges. I plan to continue my interests in mathematics at Birmingham Southern where I will also pursue a tennis scholarship.

My advice to underclassmen would be to stay involved in as many activities as possible. Do not overdo it because you must maintain acceptable grades. Set goals and constantly drive yourself towards them. No matter what you decide to do, however, look to the Lord for guidance and strength. In return give Him all the praise and the glory. If you do this, it is amazing how happy you will be!

Michele Dressman
Salutatorian

Michele is the daughter of Frank and Judy Dressman. She held the second highest academic average (98.02) thus being chosen Salutatorian. Michele has received the following scholarships: Birmingham Southern — Tennis, Bicentennial Scholarship from Methodist Churches, Kappa Gamma Delta, and a $1,000 Presidential Scholarship. She will enter Birmingham Southern in the fall and further her education in mathematics. This summer Michele will lifeguard at the Gadsden Country Club and play in as many tennis tournaments as possible.
